# WHEN DO YOU NEED TO WEAR A MASK?

If you are fully vaccinated, there are times when a mask isn't necessary:

## When you **DON'T** need to wear a mask

- With fully vaccinated people
- With low-risk unvaccinated people from one other household

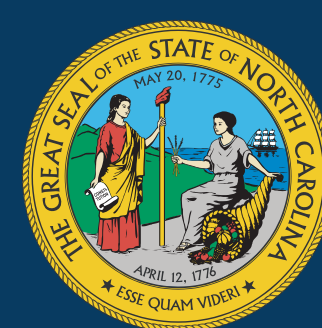

## When you **DO** need to wear a mask

- In public
- Around unvaccinated people from multiple households
- Around unvaccinated people who are at high risk of getting severely ill from COVID-19

You are fully vaccinated two weeks after your final dose of a COVID-19 vaccine.
